Session Program

8-11 Sept 2020

Mummering workshop on the analysis of large 3D/4D datasets

Introduction

Building 310, DTU compute, Lyngby campus, Compute room 062
Lyngby campus, Copenhagen

Tuesday 8 September

14:30

Introduction: Scientific motivation (R. Mokso)
Session |
Location: Building 310, DTU compute, Lyngby campus, Compute room 062, Lyngby campus, Copenhagen

15:15

15:15

Introduction: Basic concepts of image analysis: from 2D to 3D - DAHL
Session |
Location: Building 310, DTU compute, Lyngby campus, Compute room 062, Lyngby campus, Copenhagen

16:00

16:20

Introduction: Data handling / sharing - Rasmus
Session |
Location: Building 310, DTU compute, Lyngby campus, Compute room 062, Lyngby campus, Copenhagen

17:00
