

## **Session Program**

**8-11 Sept 2020**

# **Mummering workshop on the analysis of large 3D/4D datasets**

## **technical lecture**

Building 310, DTU compute, Lyngby campus, Compute room 062  
Lyngby campus, Copenhagen

## Wednesday 9 September

09:00

09:45

10:50

12:00

### **technical lecture: Big data quantification - K. MADER**

**Session** |

**Location:** Building 310, DTU compute, Lyngby campus, Compute room 062, Lyngby campus, Copenhagen

### **technical lecture: Visualisation tools - V. Dahl**

**Session** |

**Location:** Building 310, DTU compute, Lyngby campus, Compute room 062, Lyngby campus, Copenhagen

## Thursday 10 September

09:00

09:55

**technical lecture: Overview of machine learning approaches (David Rousseau, Angers)**

**Session** |

**Location:** Building 310, DTU compute, Lyngby campus, Compute room 062, Lyngby campus, Copenhagen
