

## **Session Program**

**8-11 Sept 2020**

# **Mummering workshop on the analysis of large 3D/4D datasets**

## **group work**

Building 310, DTU compute, Lyngby campus, Compute room 062  
Lyngby campus, Copenhagen

## Thursday 10 September

11:00

### group work: introduction

Session |

**Location:** Building 310, DTU compute, Lyngby campus, Compute room 062, Lyngby campus, Copenhagen

11:30

### group work: sharing image analysis algorithms and know-how

Session |

**Location:** Building 310, DTU compute, Lyngby campus, Compute room 062, Lyngby campus, Copenhagen

12:30

14:30

### group work: continuation

Session |

**Location:** Building 310, DTU compute, Lyngby campus, Compute room 062, Lyngby campus, Copenhagen

15:00

17:00

### group work: Results from work groups

Session |

**Location:** Building 310, DTU compute, Lyngby campus, Compute room 062, Lyngby campus, Copenhagen

18:00
