

Session Program

25-26 May 2021

**LINXS Event - Membrane Protein workshop:
Structural Resolution of Membrane Proteins:
From Expression to Sample Preparation**

Session 4 - Chair: Karin Lindkvist

Wednesday 26 May

09:00

Session 4 - Chair: Karin Lindkvist

Session | Location: Digital meeting on Zoom

09:00-09:40

Keynote talk - Membrane protein purification and application in drug discovery

Speaker

Arjan Snijder

09:40-10:00

Contr. talk - Towards Neutron crystallography of membrane proteins: Insights into production of deuterium-labelled OmpF

Speaker

Swati Aggarwal

10:00-10:20

Contr. talk - Production of Bcl-2 proteins involved in regulation of mitochondrial apoptosis

Speaker

Jörgen Ådén

10:20
