

Session Program

13-15 Jun 2022

**LINXS Partner event - Lipid Bilayers at ESS-
BESS in Lund, 13-15 June 2022**

**Session 1 - Biological membranes and
functions**

Monday 13 June

13:15

Session 1 - Biological membranes and functions

Session | Location: Scandic Star Hotel, Lund

13:15-14:00

Keynote talk 1: Rumiana Dimova - Remodeling of model membranes: to bud or not to bud

Speaker

Rumana Dimova

14:00-14:20

Contributed talk 1: Giovanna Fragneto - Insertion and activation of functional Bacteriorhodopsin in a floating bilayer

Speaker

Giovanna Fragneto

14:20-14:40

Contributed talk 2: Magdalena Czekalska - Microfluidic methods for α -synuclein - lipid interactions

Speaker

Magdalena Czekalska

14:40-15:00

Contributed talk 3: Sophie Ayscough - The role of hydrocarbons in cyanobacterial membranes

Speaker

Sophie Ayscough

15:00
