

Session Program

13-15 Jun 2022

**LINXS Partner event - Lipid Bilayers at ESS-
BESS in Lund, 13-15 June 2022**

Session 7 - Membrane protein interactions

Wednesday 15 June

08:30

Session 7 - Membrane protein interactions

Session | Location: Scandic Star Hotel, Lund

08:30-09:15

Keynote talk 7: Gerhard Groebner - Unravelling the molecular basis of Bcl-2 proteins' functioning at membrane level

Speaker

Gerhard Groebner

09:15-09:35

Contributed talk 19: Anne Martel - BioSANS for the Study of Membrane Protein

Speaker

Anne Martel

09:35-09:55

Contributed talk 20: Ekaterina Kostyurina - Translocation of alternating amphiphilic polymers through lipid membranes

Speaker

Ekaterina Kostyurina

09:55-10:15

Contributed talk 21: Valeria Rondelli - Extracellular Vesicles: structure and interaction with model plasma membranes

Speaker

Valeria Rondelli

10:15
